SAMPAR, Smart Skin in the City

Pioneer of urban skin care, SAMPAR created the Urban Advance complex, a powerful antipollution shield present in all SAMPAR product lines.

Pioniere dei cosmetici urbani, SAMPAR ha creato il complesso Urban Advance, un potente scudo anti-inquinamento presente in tutte le linee SAMPAR.

Smart Skin

The skin is an intelligent organ, capable of adapting to its environment. The SAMPAR mission is to reset the skin's intelligent response system and to support its natural healing actions.

La pelle è un organo intelligente, in grado di adattarsi all'ambiente. La missione di SAMPAR consiste nel regolare il sistema di risposta intelligente della pelle e coadiuvare la sua azione riparatrice.

Smart Ingredients

With products enriched in the brand's exclusive complex, Urban Advance, its innovative formulas act at the heart of cells to "wake-up" and reactivate the skin's vital functions.

Grazie ai prodotti arricchiti con il complesso esclusivo ideato da SAMPAR, Urban Advance, le formule innovative agiscono direttamente sulle cellule e riattivano le sue funzioni vitali.
